"There is a time for everything, and a season for every activity under heaven. A time to weep and a time to laugh. A time to mourn and a time to dance." Eccl. 3: 1, 4. NIV

Dear friends of Bridge of Hope Girls School-Liberia:

No matter where we live, life brings us times of both great joy and sadness, times of celebration and times when we mourn. Recently life has touched BOH in both ways.

On May 8th, we received word from Bishop Jackson Weah, Overseer of BOH, that one of our 1st graders had died in a house fire. The home was almost entirely made of zinc sheeting and was rapidly engulfed in flames. Three of her siblings also died. The school is helping to support the single mother after this tragedy.

But we also have learned that, in the past two weeks, the academic challenge quiz team from BOH has won the annual 24th Street Sinkor Academic tournament, defeating other schools by overwhelming margins! This tournament includes questions on math, geography, science, and social studies. Peace Weah, a staff member at BOH, wrote that the team's success was made possible by "our brilliant students, their expert coach Valentino Vogel, and the support of our administration. When you educate girls, you educate a nation. Our future is bright!"

YOU ARE PART OF THAT SUCCESS AND BRIGHT FUTURE THROUGH YOUR SUPPORT OF BOH! Thank you! \$115 supports a teacher for a month, and \$1380 supports a staff member for an entire year!

And a special request! BOH would like to start a marching band at the school. This would require purchasing instruments and providing some lessons. If you would like to donate to this fund, designate your donation for "band program." The total cost is approximately \$2000 dollars. This is an above-budget item.

Thank you for your support of girl's education in Liberia, West Africa!

Blessings to you!
