*"Buy the truth, and do not sell it. Get wisdom discipline and understanding." ~ Proverbs 23:23*

Dear Friends of Bridge of Hope Girls School-Liberia:

The beginning of the school year is an exciting time no matter where it happens. Reconnecting with fellow students and seeing cherished teachers is always memorable. And sharing the memories of summer activities is exciting! BOH-Liberia is set to reconvene September 8th with 225 students in grades 1 through 9. One can almost hear the girl's joyful conversations!

The days prior to the opening of the school have been busy. Cleaning, repairing, and painting are all underway. Teachers are gathering materials and the administration is finalizing registrations.

On August 2nd, the school held a celebration dinner for the graduates of the 6th and 9th grades. It was a wonderful time as they remembered the achievements of these special students and the support and encouragement of their families. Graduation ceremonies were held for the 9th graders on August 9th. Most will go on from BOH to surrounding high schools.

August 22nd was the date of the annual Teacher's Refresher Workshop. Classroom management, Christian school administration and philosophy, professional ethics, lesson planning, and testing and evaluation were some of the topics covered.

None of this would be possible without your continued prayer and financial support. THANK YOU! The vast majority of the girls at BOH come from situations of poverty and deprivation, and would have almost no chance of attending school, let alone a Christian-based all girl's school, without such support. Your donations toward a teacher's salary at the school means that the cost of tuition is not something the girls and their families need to bear. \$115 supports a teacher for a month, and \$1380 supports a teacher for the entire year! THANK YOU FOR YOUR CONTINUED SUPPORT, NOW AND INTO THE FUTURE. YOU ARE MAKING A DIFFERENCE IN THE LIVES OF YOUNG GIRLS IN LIBERIA.
